

HOUSE OF ANGELS CAPE TOWN

ABUNDANCE WORKSHOP FACILITATED BY DANIELA LEIGH

The abundance Workshop is an amazing life changing experience, which is aimed at helping and motivating people to empower themselves through the identifying and changing thought patterns to which they are familiar with and which sometimes can create obstacles in one's life.

Although we have been teaching the power of positive thinking and how thoughts affect and create our lives for the past twenty years, the film, "The Secret" has recently brought a great awareness and has taught people how their perceptions and feelings can make a difference in their lives, business, work and career.

However, the film alone, does not give proper tools for people to affect these changes or learn how to control and change their thought patterns, which are embedded in their subconscious mind.

The result of this , is that sometimes, people become dispondant with the process and with themselves, and they do not know simply how to extol their own values, and apply the principles in their lives.

What Daniela facilitates, after the screening of the Secret, (the more someone watches the film, the more perception the person gains),

Is firstly becoming aware of one's values, and their thought patterns, and looking at their present lives. Thereafter, learning the tools, to change their thoughts patterns, realistically, in a way which is comfortable to each person, in every sphere of their lives, and especially in the work, business , career, finances, and relationship areas.

The workshop allows people to explore and release the negativity of the past, and to empower themselves, and feel good about their future, their goals, and their expectations.

This workshop is empowering, it creates a vision and goal for the client,
It helps the client to find their inner core, and to get in touch with themselves and what
they want out of life.

THE COST OF THE WORKSHOP IS R430 PER PERSON.
(this includes snack dinner, stationary and vision board)
2 people R400, 3 people booking R375 and 5 people R350

The cost for corporate for their employess is R350 per person.

THE WORKSHOP WILL BE HELD ON THE 20TH OCTOBER.
PLEASE PHONE SUFIA TO BOOK 021-6743834
WITH LOVE AND LIGHT
